CLIENT GUIDE

THIS IS FOR YOU

A Guide to Your Empowering Boudoir Experience

Hi, my name is Edna!

I'm an extensively published, award-winning photographer, but if you're reading this, you probably already know that.

What you may not know is that I've struggled with my self-image most of my life. In fact, one of the reasons I became a photographer was to make other women feel beautiful, even when I couldn't see that beauty in myself.

Want to know how long it took me to look in the mirror and genuinely say, **"I am beautiful"?**

DECADES. IT TOOK DECADES!

Decades of picking myself apart and wishing I could change the things I saw in the mirror.

But somewhere along the way, I learned to appreciate my body instead of criticizing it. And I discovered how absolutely amazing it feels to finally make peace with yourself. That freedom, that feeling of self- acceptance, is something I wish I could bottle up and give to every woman I meet. And in a way, that's exactly what I try to do through my photography.

I want you to see yourself through my eyes. To see the beauty,strength and sexiness that have been there all along. **Because you deserve to feel beautiful. Not someday, not after you've changed something about yourself, but right now.**

Love,

Edna

DOES ANY OF THIS SOUND

FAMILIAR?

Have you ever looked at a photograph of yourself and immediately noticed everything you didn't like? Or thought, "Maybe when I lose a little weight," or "Maybe when I feel more confident"?

Believe me, I've been there!

Most of my boudoir clients come to me during two very special chapters in their lives.

Some are brides wanting to surprise their future husbands with a beautiful, intimate gift. And then there are my women over 40. Oh, how I LOVE these women! They've spent decades being everything to everyone, and they've finally found their voice. They're ready to celebrate themselves, their bodies, and everything they've become.

But here's what I want every woman to know.

Whether you're 25 or 55, getting married or simply celebrating YOU, you deserve to feel beautiful, confident, and sexy.

And you don't have to change a single thing about yourself to deserve that feeling.

"One day, you'll look back at photographs of yourself and wonder why you ever thought you weren't beautiful."

THE BOUDOIR EXPERIENCE

Can I tell you something? One of my absolute favorite moments during a boudoir session is when a woman looks at the back of my camera and says,

OH MY GOD... IS THAT REALLY ME?!

I LIVE for those moments!

To me, boudoir photography is about so much more than beautiful photographs. It's watching a woman walk into my studio feeling a little nervous and leave feeling like she could conquer the world!

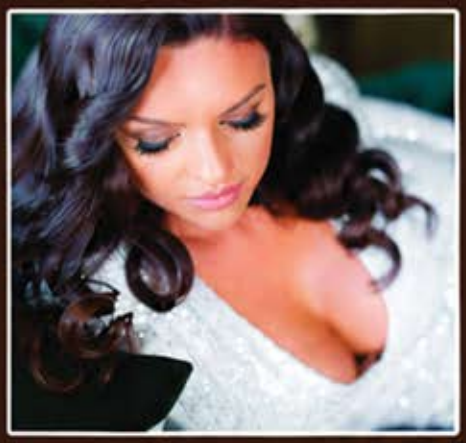

And please, don't worry about knowing how to pose. That's MY job, and after 30 years of photographing women of every shape and size, I've gotten pretty darn good at it!

I'll guide you through everything, from the tilt of your chin to the position of your fingertips. I'll find your most flattering angles, create gorgeous lighting, and make sure you feel comfortable every step of the way.

We'll laugh, we'll have fun, and somewhere along the way, you might just surprise yourself.

You bring the beautiful woman. I'll take care of the rest.

REAL WOMEN. REAL STORIES.

YOUR BEAUTY. YOUR PRIVACY. YOUR CHOICE.

Boudoir is personal, and not everyone wants their face or identity shared.
Today, you have options!

SHOW THE WORLD!

You're proud of your photos and would love for me to share them!

KEEP ME ANONYMOUS!

I can use editing tools, including AI, to change identifying features (like your face) while keeping the beauty and artistry of your session.

JUST FOR ME!

You'd prefer to keep your photographs completely private, and that's absolutely fine!

Your photographs are yours. Nothing is shared without your explicit permission.

YOUR SESSION, YOUR WAY

Sexy? Romantic? Playful? A little daring? Why not all four?!

Your boudoir session should reflect YOUR personality, and there are so many ways we can make it uniquely yours.

Bring your favorite lingerie, an oversized sweater, your partner's shirt, a beautiful robe, or absolutely anything that makes you feel amazing.

And don't worry if you're not sure what to wear. I'll help you plan your outfits and create a variety of looks you'll love.

There are no rules about what sexy is supposed to look like. Let's discover what it looks like on YOU!

PERFECT FOR:

Anniversary or birthday surprises

A unique wedding or vow renewal gift

Reconnecting and feeling closer

Celebrating your love, just because

Creating beautiful, intimate artwork for your home

It's a chance to slow down, have fun, and capture the chemistry you share.

EVERY BODY IS BEAUTIFUL.

YES, YOURS TOO!

I don't care if you're a size 2 or a size 22, if you're 25 or 65, or if you have stretch marks, wrinkles, scars, or a tummy that doesn't look like it did 20 years ago.

I think all bodies are beautiful. And I mean that.

My job is to help you feel comfortable, guide you through every pose, find your most flattering angles, and make sure you're having a fantastic time.

THE RETOUCHING REALITY

AND YES, WE HAVE PHOTOSHOP!

Every photograph you see has a little behind-the-scenes magic. Great lighting, thoughtful posing, and professional editing all play a part. I can soften skin, remove temporary blemishes, and address the little things that bother you. But how much retouching we do is entirely up to you.

You bring yourself. I'll take care of the rest!

YOUR BOUDOIR EXPERIENCE

FROM PLANNING TO PHOTOGRAPHS!

1. FIRST, LET'S DREAM A LITTLE!

What kind of photographs make your heart skip a beat?
Light and romantic? Dark and moody? Classic black and white?
Fashion-forward? Or something a little more daring?
We'll figure out the look you love and plan a session that feels like YOU.

2. LET'S PICK THE PERFECT LOCATION.

We have options!

- **My home studio** – Simple black, gray, cream, or white backgrounds.
- **Los Angeles studio** – A gorgeous rented studio with different sets and backdrops, available for an additional $170.
- **On location** – Somewhere special in Los Angeles or Orange County. Have a unique place in mind? Let's talk!

3. LET'S TALK WARDROBE!

Lingerie, oversized sweaters, beautiful fabrics, high heels, jewelry...
I LOVE accessories! Order your outfits early and try everything on so you have time to exchange anything that doesn't fit.
I also have a few gauzy pieces I can bring along.
Hair and makeup aren't included, so you'll want to arrange those separately.

4. IT'S PHOTO SHOOT DAY!

Arrive with your hair, makeup, and nails done. Bring your outfits, accessories, water, and a snack.
Avoid any last-minute beauty treatments like facials — do those about a week in advance.
Love music? Bring a Bluetooth speaker and your favorite playlist.
And don't worry about posing. I'll guide you through absolutely everything.
Your only job? Relax, have fun, and enjoy being the center of attention!

5. THE BIG REVEAL!

About a week after your session, we'll meet privately over Zoom to look through your photographs and choose your favorites.
I'll then professionally retouch your selected images, usually within another week, and send them for your approval.
Once approved, you'll receive a private gallery of your finished digital photographs. If you've ordered printed products, we'll move those into production.
The Luxe Collection also includes all your high-resolution, unretouched images, and additional retouching is always available.

BOOKING YOUR SESSION

To reserve your date, a **$250 retainer** is required, which goes toward your collection.

SEE? I'VE GOT YOU FROM START TO FINISH!

YOU DON'T HAVE TO BE CONFIDENT TO BEGIN.

It's completely normal to feel a mix of excitement and nerves before your boudoir session.

Maybe you're worried about feeling awkward, not knowing what to do, or how you'll look in front of the camera. I hear this from almost every woman, and I want you to know... you're not alone.

THAT'S EXACTLY WHY I'M HERE.

My job is to create a comfortable, supportive experience where you can relax, be yourself, and actually enjoy the process. I'll guide you through every pose, every look, and every little detail, so you never feel like you're figuring it out on your own.

Most women leave their session feeling more confident, empowered, and proud of themselves than they ever expected.

ALL YOU HAVE TO DO IS SHOW UP.
I'LL TAKE CARE OF THE REST.

BOUDOIR FAQ

A FEW QUESTIONS YOU MIGHT HAVE...

CAN I BRING A FRIEND?

Absolutely! If having a friend there helps you relax, bring them along. Just remember that sometimes an extra set of eyes can make you more self-conscious. If that happens, we'll give you a little privacy.

WILL MY PHOTOGRAPHER BE A MAN OR A WOMAN?

It's just me! I'm Edna, and I'll be the one photographing you and guiding you through your entire session.

DO I HAVE TO WEAR LINGERIE OR SHOW A LOT OF SKIN?

Not at all! An oversized sweater, a beautiful dress, your favorite jeans, or something a little more daring can all look amazing. You decide how much you want to reveal. There is absolutely no pressure.

DO YOU PROVIDE HAIR AND MAKEUP?

Hair and makeup aren't included, but I can recommend talented professionals. I suggest having both done before arriving so we can spend our time creating beautiful photographs!

WHAT IF I WANT TO GIVE THESE PHOTOGRAPHS AS A GIFT?

I LOVE this idea! A gorgeous boudoir album is a wonderful way to surprise your partner without having loose photographs floating around. We can create something beautiful, personal, and discreet.

CAN I DO AN OUTDOOR BOUDOIR SESSION?

Absolutely! Beaches, desert landscapes, beautiful architecture... there are so many possibilities in Southern California. We'll talk about the look you want and find a location that offers the right atmosphere and privacy.

STILL HAVE QUESTIONS? JUST ASK ME!

There's no such thing as a silly question when it comes to something this personal. I'm happy to talk through anything you're wondering about.

MORE THAN JUST

It's not just a session. It's a gift to yourself that keeps giving, long after the camera is put away.
